ABOUT HEALTHCARELIVE

Founded by an orthopedic surgeon, our comprehensive digital, virtual and in-person multi-specialty care solution provides members with access to experts 24/7/365.

With one-click access to virtual care and state-of-the-art remote therapeutic monitoring, HealthcareLive provides convenient, HIPAA-compliant, secure access to experts across multi-specialty while increasing efficiency, revenue, and user satisfaction without a steep or unnecessary learning curve.

Together, we believe our mission to increase access, integrity, and patient satisfaction for those in need of comprehensive care can improve how healthcare is delivered nationwide.

Healthcare that works as hard as you do.

TRUSTED BY EMPLOYERS ACROSS THE UNITED STATES
